Invitation for Expression of Interest for availing incubation space at Kolkata Biotech Park

West Bengal Biotech Development Corporation Ltd. under the Department of Science & Technology and Biotechnology, Government of West Bengal, has established a ten storied building in the name and style of Kolkata Biotech Park, situated at EN-24, Sector-V, Salt Lake, Kolkata-700091, a prominent industrial hub of the State.

The vision for the Biotech Park is to create an environment for biotechnology industry in West Bengal by promoting start-ups and entrepreneurship in biotech sector. For such purpose, a state-of-the-art Bio-incubation facility will be established in Kolkata Biotech Park with plug and play laboratory modules for start-ups and entrepreneurs. The basic idea is to exploit the talents and technologies available in West Bengal to catch up the frontier areas in biotech sector of this Country in a progressive way.

Biotech Park would provide a common platform for industry to collaborate with academia for technology adoption, scale-up and commercialization. Biotech Park will house specialized biotech facilities, incubation spaces and business support facilities for nurturing business ideas/innovations. The Biotech Park would offer space to potential incubatees at competitive rate.

In this connection, DSTBT, GoWB invites Expression of Interest (EoI) from potential startups incubates/entrepreneurs/investors who are interested to avail incubation space at Kolkata Biotech Park. Interested entity/individual may submit their EoI providing following particulars:
